South Hayward BART/ Mission Boulevard Form-Based Code Project

Charrette kick-off

Join the community in a new planning process for Hayward…

The City will host five days of workshops, known as a charrette, to ask the community for input on design and planning for the South Hayward BART area. The form-based code and charrette will be firsts for Hayward. With your input, the charrette will see the community's shared vision formalized in a comprehensive form-based code for the area.

What: A kick-off for the five-day charrette

When: Tuesday, September 29 from 7 to 9 pm

Where: Moreau Catholic High School (Cafeteria) @ 27170 Mission Blvd.
