

**CITY OF HAYWARD**  
**AGENDA REPORT**

Planning Commission  
Meeting Date 02/11/99  
Agenda Item 4

**TO:** PLANNING COMMISSION

**FROM:** Norman Payne, Survey Engineer

**SUBJECT:** REFERRAL FROM THE PUBLIC WORKS DEPARTMENT -  
CONVEYANCE OF SURPLUS REAL PROPERTY: Parcel No. 92, at the  
southwesterly corner of "D" Street and Grand Street to the adjoining Property  
owner.

**RECOMMENDATION:**

It is recommended that the Planning Commission:

1. Find that sale is categorically exempt from C.E.Q.A; and
2. Find the conveyance is not in conflict with the General Plan; and
3. Recommend to the City Council that they authorize the City Manager to execute a deed conveying the surplus real property to the adjoining property owner.

**DISCUSSION:**

The parcel located southwest of the intersection of "D" Street and Grand Street was purchased by the City in 1987 for the "D" Street Extension, which extended from Winton Avenue to Grand Street. Upon completion of the street project, this parcel, consisting of 2,465 square feet, was one of the excess parcels remaining. The size of this parcel is insufficient for independent development. The Streets and Highway Code gives the City the authority to sell this "uneconomic remnant" to an adjoining property owner. Sale of this parcel to the owner of the adjoining parcel to the north would improve their access to their rear yard. The owner of the adjacent parcel has offered the City \$4,000 for the parcel. City staff has concluded that this is fair market value for the property. This proposal is In keeping with the City policy of divesting these small, unbuildable parcels. It will also eliminate costs associated with weed abatement and other maintenance expenses for the property.

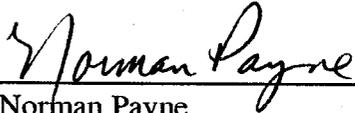

General Plan

The General Plan Map designates this parcel as "Residential Medium Density." The parcel is located within the Burbank Neighborhood and is zoned "Medium Density Residential" (RM). Any development which could result as a consequence of the sale of the parcel must comply with the General Plan and the Zoning Ordinance. Thus, there is no conflict.

Environmental Review

Sale of surplus real property is categorically exempt from the provisions of California Environmental Quality Act (CEQA), pursuant to Section 15312, "Surplus Government Property Sales;" thus, no environmental action is required.
