

CITY OF HAYWARD AGENDA REPORT

AGENDA DATE 6/23/98

AGENDA ITEM 4

WORK SESSION ITEM _____

TO: Mayor and City Council
FROM: Director of Public Works
SUBJECT: **WATER POLLUTION CONTROL FACILITY SLUDGE DRYING BEDS,
STAGE 1 IMPROVEMENT PROJECT- AWARD OF CONTRACT**

Recommendation:

It is recommended that the City Council approve Addendum No. 1 that makes a minor revision to the insurance provisions and award a contract to the lowest bidder, RGW Construction, Incorporated of Fremont, California, in the amount of \$2,849,371 .

Background/Discussion:

On May 12, 1998, the City council approved the plans and specifications for the referenced project. The new sludge drying beds will handle biosolids that are now generated in excess of the capacity of the existing sludge drying beds and will accommodate increased plant demands into the near future. Wastewater treatment processes remove pollutants from wastewater, concentrating them into a fluid biomass called biosolids or sludge. Biosolids at the Water Pollution Control Facility (WPCF) are dried and cured to an acceptable pathogen level before final disposal. Water is removed from the sludge by natural separation and air drying in the sludge drying beds.

The City has processed a Categorical Exemption in compliance with the California Environmental Quality Act (CEQA). The City's design consultant, Carollo Engineers, has determined that no other permits will be required for this project.

On June 9, 1998, six bids were received by the City and opened. The low bid was submitted by RGW Construction of Fremont in the amount of \$2,849,371, which is less than 1 percent higher than the Engineer's estimate of \$2,827,451.22. The second and third lowest bids were, respectively, \$3,046,575 submitted by Interstate Construction and \$3,189,587 submitted by DeSilva Gates.

The goals for Disadvantaged Business Enterprises (DBE) and for Women Business Enterprises (WBE) participation on this project was established by staff at 10 percent combined DBE and/or WBE. The low bidder proposed to utilize 9.4 percent DBE and 4.6 percent WBE for a combined utilization of 14.0%, which is more than the established goal.

Project Costs:

The estimated costs for the project are as follows:

Construction cost	\$2,849,371
Design and administration	230,000
Inspection and construction surveys	190,000
Total	\$3,269,371

Funding:

A total of \$3,270,000 was included for this project in the Water Pollution Control Facility Replacement Fund of the recently approved 1998/99 Capital Improvement program.

Schedule:

The following schedule has been developed for this project:

Award construction contract	23 June 1998
Begin construction	6 July 1998
Complete construction	31 October 1998

Prepared by:

Alex Ameri, Deputy Director of Public Works/Utilities

Recommended by:

for Dennis L. Butler, Director of Public Works

Approved by:

Jesús Armas, City Manager

ADDENDUM NO. 1

June 8, 1998

**SUBJECT: WATER POLLUTION CONTROL FACILITY SLUDGE DRYING BEDS
STAGE 1 - IMPROVEMENT PROJECT, PROJECT NO. 7618**

BID OPENING DATE: JUNE 9, 1998

To ALL PROSPECTIVE BIDDERS:

The following is Addendum No. 1 to the specifications for the above project.

The first paragraph of Section 5-1.07 (2), "Commercial General and Automobile Liability Insurance," of the Special Provisions is amended to read:

"The Contractor shall take out and maintain in the name of the Contractor and, as an additional insured, the City, during the life of the Contract, such Commercial General and Automobile Liability Insurance as shall protect the Contractor, the City, its officials, officers, directors, employees and agents, from claims which may arise from operations under this contract, whether such operations be by the Contractor, by the City, its officials, officers, directors, employees and agents, any subcontractors, or by anyone directly or indirectly employed by any of them. Such coverage shall be at least as broad as: Insurance Service Office Commercial General Liability coverage (occurrence Form CG0001) and Insurance Service Office Form Number CA0001 (Ed. 1/87) covering Automobile Liability, Code 1 (any auto). This liability insurance shall include, but shall not be limited to, protection against claims arising from bodily and personal injury and damage to property, resulting from the Contractor's or subcontractor's operations, including the use of owned or non-owned automobiles, products, and completed operations. The amounts of insurance shall no be less than the following:"

This addendum will be presented to City Council for approval at award of contract. Your bid should be based upon the contract documents modified by this addendum.

Very truly yours,

ROBERT A. BAUMAN
Deputy Director of Public Works

DRAFT JB 6/12/98

HAYWARD CITY COUNCIL

RESOLUTION NO. _____

Introduced by Council Member _____

RESOLUTION APPROVING ADDENDUM NO. 1 MAKING A
MINOR REVISION TO THE INSURANCE PROVISIONS
AND AWARDING CONTRACT TO RGW CONSTRUCTION,
INC., FOR PROJECT NO. 7618

WHEREAS, by resolution on May 12, 1998, the City Council approved the plans and specifications for new sludge drying beds, Project 7618, and called for bids to be received on June 9, 1998 and

WHEREAS, Addendum No. 1 was issued to make a minor revision to the insurance provisions.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Hayward that Addendum No. 1 is hereby approved and adopted as part of the plans and specifications for the project.

BE IT FURTHER RESOLVED that RGW Construction, Inc. of Fremont, California is hereby awarded the contract for the construction of new sludge drying beds, Project 7618, in accordance with the plans and specifications adopted therefor and on file in the office of the City Clerk of the City of Hayward at and for the price named and stated in the bid of the hereinabove specified bidder, and all other bids are hereby rejected.

BE IT FURTHER RESOLVED that the City Manager is hereby authorized and directed to execute an agreement for the award of the contract on behalf of the City of Hayward, in an amount not to exceed \$2,849,371, in a form to be approved by the City Attorney.

IN COUNCIL, HAYWARD, CALIFORNIA _____, 1998
