AGENDA REPORT

AGENDA DATE 11/14/00

AGENDA ITEM 6

WORK SESSION ITEM _____

TO: Mayor and City Council
FROM: Director of Public Works
SUBJECT: Construction of Wheelchair Ramps at Various Locations: Approval of Plans and Specifications and Call for Bids

RECOMMENDATION:

It is recommended that the City Council approve the attached resolution that approves the plans and specifications for the Construction of Wheelchair Ramps at Various Locations project and calls for bids to be received on December 12, 2000.

BACKGROUND:

The project constructs 197 wheelchair ramps at various locations throughout the City. The locations for the ramps shown on the attached list have been established by requests received from disabled individuals and from City staff investigation, based on the wheelchair ramp construction priorities established in accordance with the Americans with Disabilities Act (ADA).

The project is categorically exempt under the minor alteration of existing sidewalks section of the California Environmental Quality Act.

Staff has established a goal of 8 percent for Disadvantaged Business Enterprise (DBE) and 2 percent for Women-Owned Business Enterprise (WBE) participation for this project. The goal was established through an evaluation of available subcontracting opportunities for the project and an analysis as to which portion of the subcontracting would be reasonable to set aside for DBE and WBE participation.

PROJECT COSTS:

The estimated project costs are as follows:

Contract Construction	\$ 220,000
Prior Construction	11,000
Design and Administration	27,000
Inspection	<u>14,000</u>
TOTAL	\$ 272,000

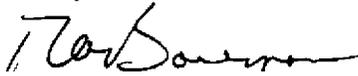

FUNDING:

The adopted 2000100 Capital Improvement Budget includes \$280,000 in the Gas Tax Fund for this project. Previously, \$11,000 was expended for ramps on Orchard Avenue and other requested locations. Transportation Development Act (TDA) Funds will reimburse \$179,000 of the total project costs.
