

CITY OF  
**HAYWARD**  
HEART OF THE BAY

**Taste of Hayward Presentation**  
**July 26, 2011**

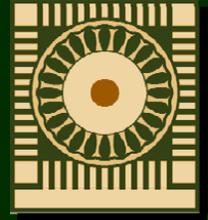

**Friends of the Library**

# Partnership

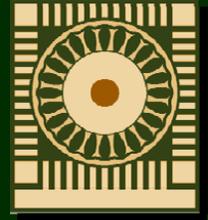

- The City of Hayward in partnership with the Hayward Public Library hosted the 1<sup>st</sup> ever Taste of Hayward at the City Hall Rotunda on June 8, 2011.
- The Goal of the Event was to showcase the fine dining establishments within our Community.
- The event featured sample wines from over 20 wineries, food from Hayward's Best Restaurants, Caterers, and Retailers.
- It also included a silent auction and raffle, with prizes that included dinner at the Fire station, lunch with the Police Chief, a plane ride at Hayward Executive airport, and much more.
- The event was a huge success, and the best part is that all the proceeds will benefit Hayward students in the Library's After School Homework Support Center. The proceeds will be used by the Friends of the Library to buy books to support kids' studies in the new Homework Center opening at Longwood Elementary School this Fall.
