### **Marelich Mechanical Mission Statement**

- Our goal is to be the first choice company of every client. To reach this goal, we commit:
- Perform superior quality work safely, on time and within budget.
  - Work in partnership with our clients to understand their objectives and earn their confidence and respect.
  - Make honesty and fairness the cornerstone of all our relationships.
  - Work within the company as a team with open communication and mutual respect.
  - Provide our employees with a dynamic working environment, the opportunity for professional and personal growth, and recognition and compensation based on company and individual performance.

**Honesty ••••• Teamwork ••••• Results**
