

**OFFICE OF THE CITY CLERK**

DATE: June 18, 2013  
TO: City Council  
FROM: City Clerk  
RE: Revision to City Council Minutes 05/28/13

---

Paragraph three from the bottom of page three of the minutes of May 28, 2013, has been revised as follows:

From:

*"In response to Council Member Halliday's inquiry about funding for Fire Station No. 7, it was noted that staff was going to identify funding sources for the station because it was in deplorable condition. It was noted that the Housing Authority Capital Fund would be eliminated and the **238 Housing Trust Fund was no** going to be refurbished."*

To:

*"In response to Council Member Halliday's inquiry about funding for Fire Station No. 7, it was noted that staff was going to identify funding sources for the station because it was in deplorable condition. It was noted that the Housing Authority Capital Fund would be eliminated and the **Trust Fund was not** going to be refurbished."*

Paragraph two of page three of the minutes of May 28, 2013, has been revised as follows:

From:

*"Council Member Halliday was satisfied that there was continued improvement and reinstatement of certain pedestrian crossing in the mini-loop area without any mayor expenditures."*

To:

*"In response to Council Member Halliday, Director of Public Works Fakhrai noted there had been continued improvement and reinstatement of certain pedestrian crossing in the mini-loop area without any major expenditures."*

Council Reports on page seven of the minutes of May 28, 2013, has been revised as follows:

From:

*“Council Member Halliday reported on her attendance at Bret Hart Middle School’s Space Day on May 28, 2013. Ms. Halliday noted that volunteers operated a space station that was part of the NASA Traveling Space Museum and that students enjoyed the event.”*

To:

*“Council Member Halliday reported on her attendance at Bret Hart Middle School’s Space Day on May 28, 2013. Ms. Halliday noted that volunteers oversaw students interacting with space equipment that was part of the NASA Traveling Space Museum and that students enjoyed the event.”*

With the changes noted above, I respectfully request approval of the minutes.
