

CITY OF
HAYWARD
HEART OF THE BAY

DATE: October 28, 2014
TO: Mayor and City Council
FROM: Director of Public Works - Engineering and Transportation
SUBJECT: Agenda Item #7, Revised Attachment I

Attached please find revised Attachment I for Item #7, Designation of Additional Preferential Residential Permit Parking Areas, on the October 28, 2014 Council agenda. The revision removes streets on the east side of Hayward Boulevard from the resolution.

These streets are being removed at this time because of neighborhood concerns and the residents' decision to significantly modify the streets included in the program, as well as days and hours of enforcement. Even though the residents had previously requested RPP on their streets by way of petition, they held a community/HOA meeting last evening which resulted in the proposed changes. They relayed this decision to staff this morning. Two versions of the revised resolution have been provided for clarity. First version includes "strikethrough" for streets that are being removed; while the second version is a clean copy of the resolution.
