RE: Amendment to City Council Minutes January 20, 2015

---

This serves to amend the minutes of January 20, 2015, to fix an error on the second paragraph of page 13 of the City Council packet for February 2, 2015. The references to sentences two and three should have been Ms. Lamnin as opposed to Ms. Halliday. The first reference is correct.

It currently reads:

“Council Member Lamnin supported the motion and noted the community concerns were addressed in the new franchise agreement with the new services. Ms. Halliday asked staff to review with the mobilehome residents the concern expressed that a 20-gallon service was excessive for the residents and encourage staff to find a solution. Ms. Halliday encouraged communication with the schools about the additional bulky pick-up through parent networks.”

Proposed to read:

“Council Member Lamnin supported the motion and noted the community concerns were addressed in the new franchise agreement with the new services. Ms. Lamnin asked staff to review with the mobilehome residents the concern expressed that a 20-gallon service was excessive for the residents and encourage staff to find a solution. Ms. Lamnin encouraged communication with the schools about the additional bulky pick-up through parent networks.”

With the change noted above, I respectfully request approval of the amended minutes.
