

# WYATT'S WARRIORS

In February, 2014, Karen Norell's grandson Wyatt, was diagnosed with Diffuse Intrinsic Pontine Glioma (DIPG). This is an inoperable brain tumor, that unfortunately only 10% of children survive 2 years after diagnosis. Wyatt's family recently received the heartbreaking news that they should prepare for their final months together.

Karen Norell has given of herself so generously to the Hayward community. We encourage and welcome, the community of Hayward, to show their love and support.

Our goal is to raise \$50,000 to allow this family to enjoy these last few months with Wyatt. Currently, Wyatt's only source of comfort is having his daddy, Bryan, by his side. Bryan is taking an unpaid leave of absence from his place of employment. Your generous contributions will help this family with their basic needs and family expenses.

Friends of Karen Norell are hosting a fundraiser to help her family. San Marcos Mexican Restaurant has agreed to donate a portion of the proceeds from the entire day, which includes dine in and take out, to the Norell Family. There will also be a drawing for some wonderful prizes. Tickets are available through one of the host committee members (Elisa Márquez, Andé Peña, Betty DeForest, Esmeralda Espinoza, Francisco Zermefio, Sara Lamnin, and Amy Rickard) for \$5 donation per ticket, 3 tickets for a \$10 donation, 5 tickets for a \$20 donation.

**ALL DONATIONS GO DIRECTLY TO THE NORELL FAMILY.**
