**FROM:** Director of Public Works – Engineering & Transportation  
**SUBJECT:** **Agenda Item 9 – Revised Page 1 of Attachment II**

---

Attached is the revised page 1 of Attachment II related to the Agenda Item #9, Public Hearing for the Designation of Additional Permit Parking areas.

The staff report for Designation of Additional Permit Parking areas recommends adopting the following three areas as Preferential Residential Permit Parking Areas under Section 3.95 of the Hayward Traffic Regulations.

1. South of A Street and East of Interstate 880 (I-880): Happyland Avenue and Fuller Avenue from A Street to Elmwood Street
2. South of A Street and West of I-880: Marvin Way, Barker Avenue, and Westpark Street from Barker Avenue to 21651 Westpark Street ; and
3. North of Hayward Boulevard: Parkside Drive from Hayward Boulevard to Tribune Avenue and Rainbow Court.

As per the adopted policy, staff mailed out notifications to the residents and businesses in the affected areas. Following the notification, staff received concerns from adjacent businesses on Fuller Avenue and Happyland Avenue that the proposed restriction would limit the offsite parking available for their employees. Accordingly, the proposed permit parking boundary is being revised to accommodate the requests. These revisions would not affect the permit parking area fronting residential properties on Happyland Avenue and Fuller Avenue.
