

CITY OF HAYWARD
AGENDA REPORT

AGENDA DATE 03/20/07

AGENDA ITEM _____

WORK SESSION ITEM WS#2

TO: Mayor and City Council
FROM: City Manager
SUBJECT: City Manager Recruitment

In response to the City's release of a Request for Proposals, a total of six firms submitted proposals to assist the City Council in its recruitment for a City Manager. Previously, the Council agreed to interview up to five firms. The Council also agreed that if more than five proposals were received, an ad hoc committee of the Council would screen the number down to five. Mayor Sweeney and Councilmembers Dowling and Quirk constituted such a committee. After reviewing all proposals, the committee agreed it would be appropriate for the Council to interview five firms. Copies of the proposals submitted by these firms are attached. (The sixth firm is located in the Midwest and its proposal was significantly more expensive.)

The firms to be interviewed and the corresponding times are as follows:

5:30 PM	Avery Associates
6:15 PM	Alliance Resource Consulting LLC
7:00 PM	Bob Murray & Associates
7:45 PM	The Mercer Group Inc
8:30 PM	Peckham & McKenney

Following your interviews and deliberations, the Council is requested to provide direction regarding the preferred firm. Staff will prepare a corresponding agenda report for formal consideration at your March 27 meeting.
