

CERTIFICATION FOR SMOKE AND CARBON MONOXIDE ALARMS

City of Hayward Development Services Department

January 2015 Update

THIS FORM IS TO BE USED ONLY FOR ONE and TWO FAMILY DWELLINGS

Permit Number: _____

Property Address: _____

The California Residential Code (CCR T-24 Part 2.5) requires that smoke alarms and carbon monoxide alarms be installed in all dwelling units whenever a permit is issued for alterations, repairs, or additions. This form may be used whenever the Building Inspector is not likely to enter the dwelling during final inspection. Examples include: roof replacement, siding replacement, retaining walls and similar types of exterior work. The property owner shall provide a fully completed and signed copy of this form to the City of Hayward Building Inspector certifying that smoke alarms and carbon monoxide alarms are installed in the required locations and that they are functioning properly. Provide the fully completed form at the time of final inspection.

_____ (please initial) Smoke alarms that are listed in accordance with UL 217 have been installed according to the manufacturer's instructions inside each sleeping room, outside each separate sleeping area within the immediate vicinity of the sleeping room(s), and at least one on each story of the dwelling including basements and habitable attics. As the owner (or authorized agent), I have tested all the smoke alarms and can verify that they are working properly.

_____ (please initial) Carbon Monoxide alarms that are listed as complying with the requirements of UL 2034 and have been installed according to the current addition of NFPA 720 and the manufacturer's installation instructions and are located outside of each separate dwelling unit sleeping area in the immediate vicinity of the bedroom(s) and on every level of the dwelling unit including basements. As the owner (or authorized agent) I have tested all the carbon monoxide alarms and can verify that they are working properly. Carbon Monoxide alarms are required in all dwelling units that have an attached garage or contain fuel burning appliances.

I certify under the penalty of perjury and the laws of the State of California that the foregoing is true and correct.
