

City of Hayward False Alarm Reduction Program

CRYWOLF[®]
FALSE ALARM SOLUTIONS

The City of Hayward and the Hayward Police Department have teamed with CryWolf technology to reduce the number of false alarms activations in the City. Hayward's new user-based alarm system registration program goes into effect on **November 23, 2015** and is designed to help reduce false alarms, save money for alarm users, provide convenience for online registration and provide access to alarm reports and ordinance information.

PROGRAM FEATURES:

- **No Additional Cost**
- **Paperless Billing Options**
- **Automatic Alarm Incident Notification**
- **Web Based Interface**
- **Free On-line False Alarm Reduction School**
