

# NOTICE OF COMMUNITY MEETING

## Route 238 Corridor Land Use Study

Dear Property Owner/Resident/Interested Party,

You are cordially invited to attend the initial community meeting for the Route 238 Corridor Land Use Study, to be held **Wednesday, October 3, 2007, from 6:30-9:00pm at Centennial Hall in the Main Hall, located at 22292 Foothill Boulevard.**

The study will likely result in changes to General Plan land use and zoning designations for properties formerly obtained by Caltrans for the 238 Bypass Freeway and will show how future development of the area could be compatible with the surrounding neighborhoods.

We value your opinion. Individuals, organizations and other interested parties are invited to participate in this anticipated 17-month long process. If you are unable to attend this meeting and would like to comment or ask questions, please feel free to contact us. City staff anticipates developing a group e-mail list to be used to distribute information and to notify interested parties of future meetings.

**PLEASE NOTE: If you wish to remain on the mailing list for future notices regarding this study, please let us know at the community meeting or contact us at the address or phone number below.**
