

# La Vista Park Community Meeting January, 2016

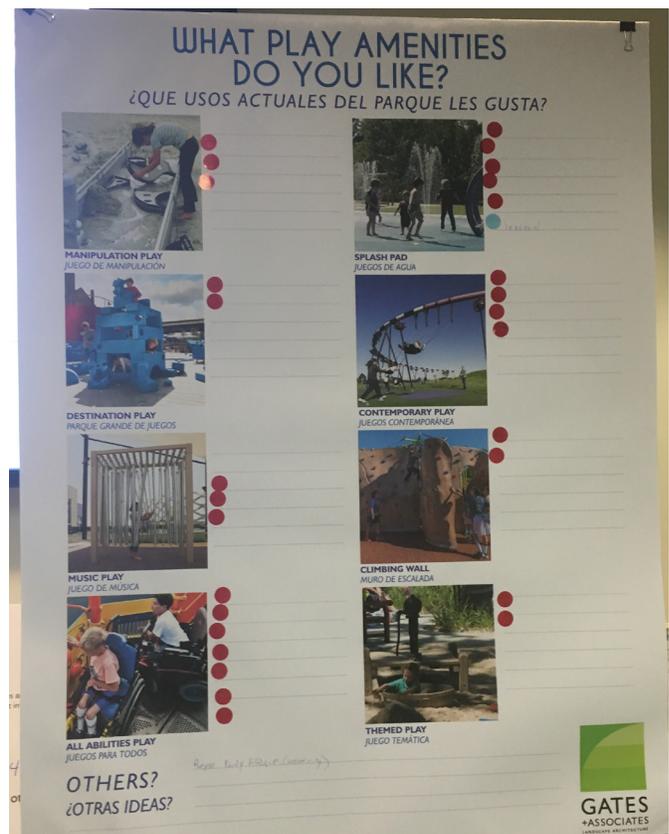

## What Play Amenities do You Like?

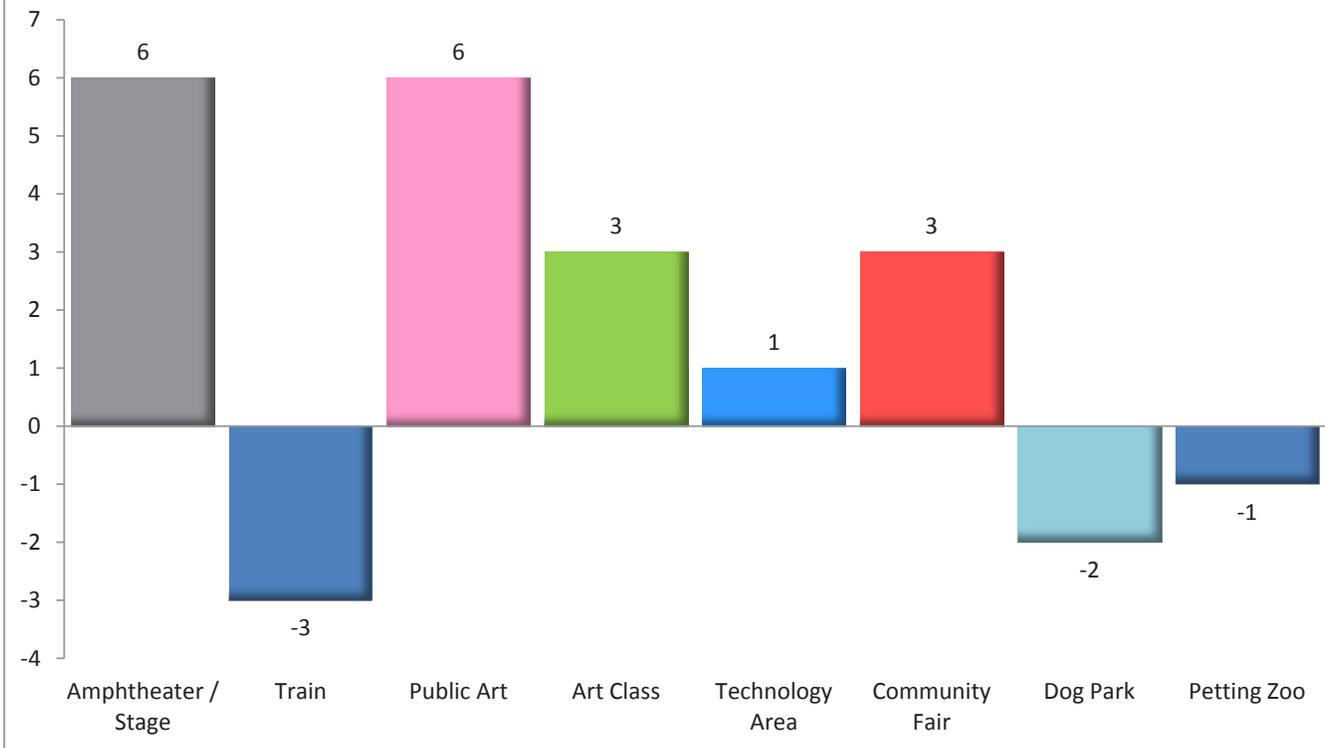

### Other Ideas:

- Rope Play
- Senior Playground

## What Performance/Cultural Park Uses do You Like?

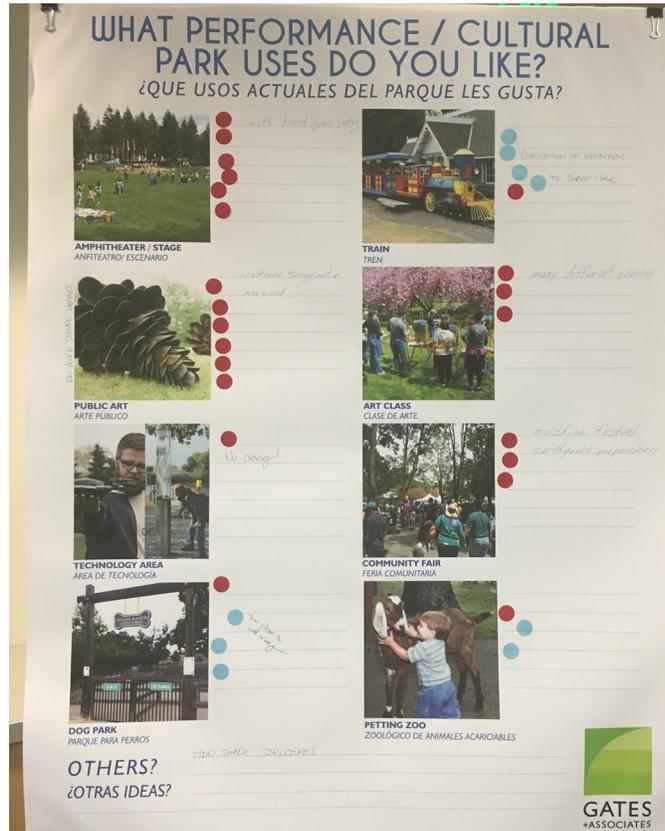

### Comments:

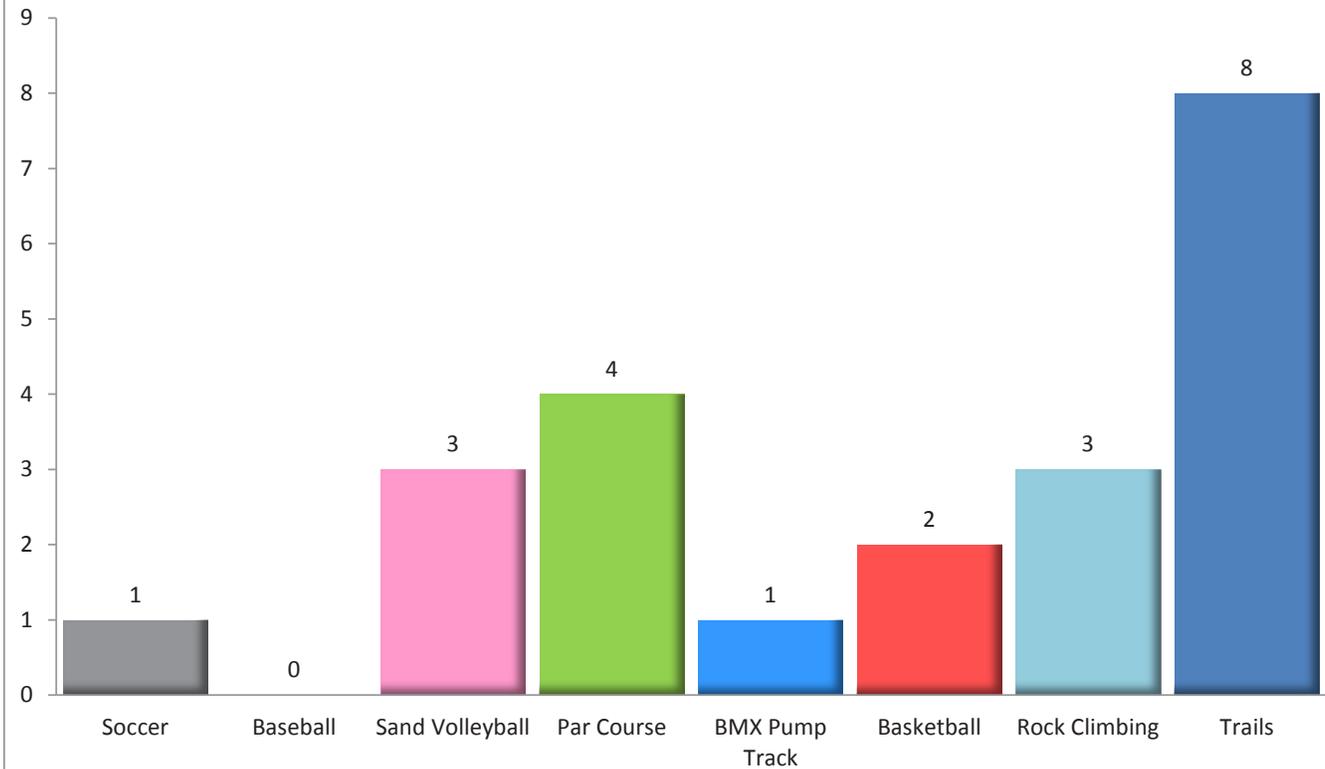

- Amphitheater - With tiered grass seating
- Train - Duplication of Kennady; Too carnival like
- Public Art - Scattered throughout and oversized; Recycled shovel heads
- Art Class - Many different classes
- Technology Area - No drones
- Community Fair - Zucchini festival; Earthquake preparedness
- Dog Park - Too close to wild area

### Other Ideas:

- Add shade structures

## What Sports Amenities do You Like?

### Comments:

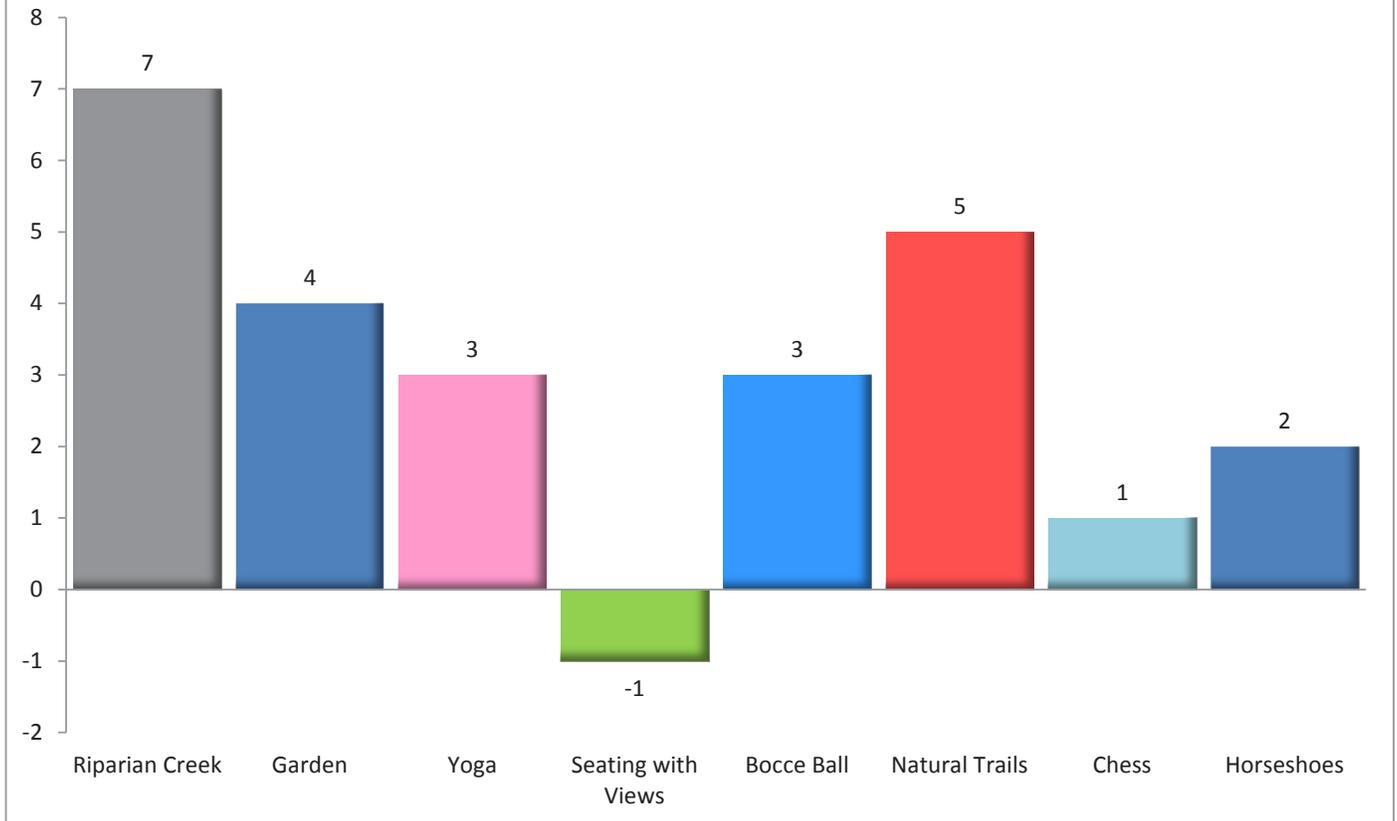

- Par Course - Several scattered around
- BMX Pump Track - Unique; Could vary in size; Multi-use (skate, bike, scooter)
- Rock Climbing - Liability?
- Trails - Trail to Garin; Handicap accessible

### Other Ideas:

- Skateboard area
- Basketball
- Disk golf

## What Passive/Natural Park Uses do You Like?

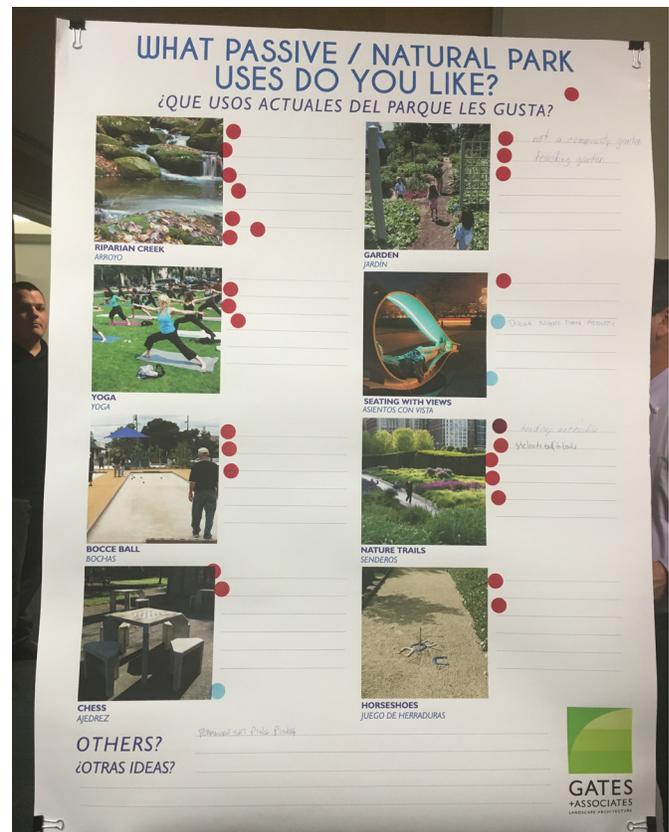

### Comments:

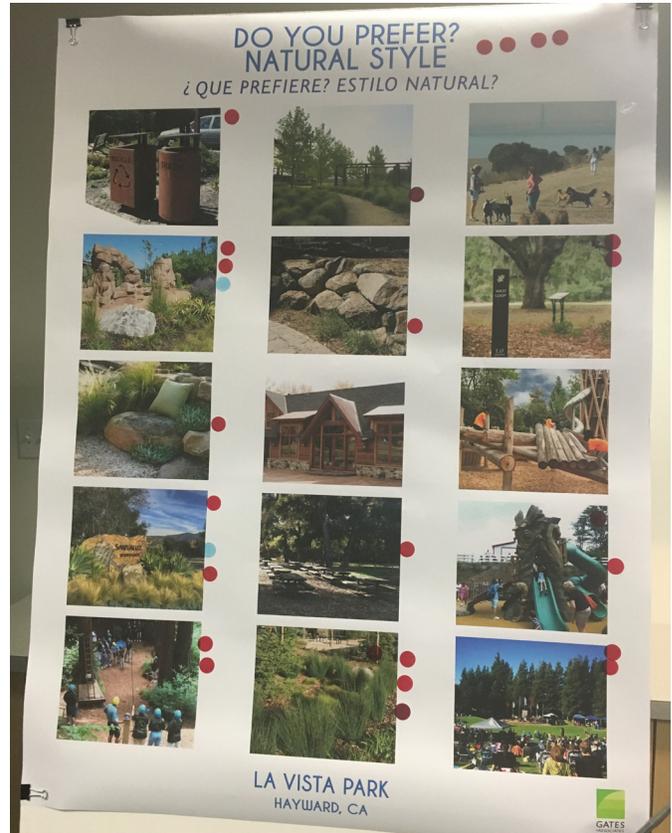

- Garden - Not community garden, teaching garden
- Seating with Views - Dislike nighttime activity
- Nature Trails - Handicap accessible; Site leads itself to trails

### Other Ideas:

- Permanent set ping-pong

## Do You Prefer Contemporary or Natural Style?

### Comments:

- Natural style best for trails and picnic areas
- Contemporary style best for active areas: amphitheater, chess boards
- In general voting for style natural preferable
- Dislike votes for too colorful elements, granite benches, enclosed spaces where people cannot see their kids and big empty plazas
