9:00 Close

Purpose: The purpose of the second workshop series is to have the community review and confirm the draft Vision and Guiding Principles for the General Plan, and provide input on policy options for implementing the Vision and Guiding Principles.

Outcomes: These workshops will provide City Staff and Consultants the opportunity to update the community on the project. It will provide the community the opportunity to give input on the draft Vision, Guiding Principles, and key policy options. Community input will be used to inform the major policy decisions that will be the basis for the updated General Plan.

Spanish translation will be available.
