

FREE Landscape Classes!

City of Hayward

City Hall, 777 B Street, Room 2A, Hayward

March 28, 9:00 a.m.-12:00 p.m.

Water-Wise Edible Gardening: Learn how to reduce water needs for seasonal vegetable gardening by learning how to grow “warm-season” vegetables to harvest all summer long. Bring a 6” pot and take home your first promise of vegetable abundance.

April 4, 9:00 a.m.-12:00 p.m.

Habitat Gardening: Learn how to create a vibrant and colorful landscape using water-efficient plants that will attract bees, butterflies and birds. Bring a 6” pot to take home your beautiful native potted garden that you will prepare during this hands-on workshop.

May 2, 9:00 a.m.-12:00 p.m.

Lawn Replacement: Create a water-efficient and low-maintenance landscape using native and drought tolerant plants. Learn their benefits as an alternative to your lawn and get tips on the Bay Area’s water cycle to manage your water-efficiency

Registration is required.
