

Tree Giveaway

Help Keep Hayward Green

Help our community build an Urban Forest.

Apply today for your free tree. The tree will be planted and staked by the City, free of charge.

If you have available space in the public right-of-way (the dirt area between the sidewalk and the curb),

And you commit to watering and following the general care and maintenance instructions,

Then you qualify!

Benefits of Trees:

- Trees make life more pleasant.
- Trees can add value to your home.
- Tree leaves absorb air pollutants and give off oxygen.
- Trees help keep your home cool when it's hot and break cold winds to lower your heating costs when its cold.
- Trees provide privacy.

Available Street Tree Types:

- Liquidambar
- Magnolia
- Chinese Pistache
- Chanticleer Pear
- Crepe Myrtle
