

## ARTIST-ALL-CALL MURAL BART JPA PROJECTS

---

City of Hayward's Mural Art Program is pleased to announce additional mural art projects for this fiscal year. The Mural Art Program's intent is to partner with local artists to foster: civic pride, cultural diversity, cultural enrichment, and community identity through inspirational artwork.

### ELIGIBILITY

This project is open to all experienced bay area professional artists. Selected artists must provide proof of general liability insurance coverage.

### APPLICATION PROCESS

#### APPLICANTS MUST SUBMIT:

- Artist application (only for new artists)
- Current resume, highlight past and current art installation projects, \*include pictures
- Provide professional references of past art installation projects (client)

## DESIGN TEMPLATE SAMPLE

The utility box template converts a three-dimensional object to a one-dimension drawing layout. This template enables artists to scale conceptual art designs within a dimensional space. Actual utility boxes vary in size (approximately 72" H x 38" W x 35" D), shape, and have various vents, seams, doors, and handles. Be prepared to adjust artwork to fit a unique utility box.
